

The Best Gifts do not always come Wrapped

In this article appearing in the Caxton News, written by a Caxton reporter, I give some comments on giving gifts over the Christmas period. My comments are towards the end of the article. Gifts don't always have to be material things. Your time and services can also be highly valued. Perhaps you can even help out people who are struggling with day to day living. Article dated 18 December 2023.
